

L'art de l'assertion

L'art sert à s'exprimer; quand on le supprime, on nous assassine.

A man with dark hair, wearing a dark jacket and a patterned tie, is looking directly at the camera. The background is heavily blurred, showing what appears to be an indoor setting with warm lighting and some indistinct shapes. The text is overlaid on the lower half of the image.

La beauté de l'art ne se trouve pas dans l'art en
lui-même mais au sein du peintre.

L'art est une fleur qui s'épanouit dans le cœur de l'artiste.

L'art est la meilleure arme de l'artiste

A framed painting of a bouquet of red and pink roses. The roses are in various stages of bloom, with some showing deep red and others a lighter pink. The painting is set within a simple, dark brown wooden frame. The background of the painting is a soft, light green, suggesting foliage. The overall style is that of a classic oil painting.

Les couleurs sont des miroirs d'émotions.

A close-up, artistic photograph of a hand holding a paintbrush, poised to paint on a canvas. The hand is in the foreground, slightly out of focus, with the fingers gripping the handle of the brush. The brush has a wooden handle and a metal ferrule holding the bristles. The background is a textured, light-colored surface, likely the canvas, with some faint, abstract brushstrokes visible. The lighting is soft, creating a warm, contemplative atmosphere.

L'art est synonyme de liberté, il peut rester pendant
longtemps ou se
briser.
